Sat. m.
 Many thanks for your note & its
 kind invitation to come & repose
 & have tea. I'm hoping I may
 be able to go up with Mr. & Mrs. The Duke
 & Mrs. as I shall want all I see.
 I could not go to help gather your leaves as
 I was a prisoner in my tiny apartment
 three days. It was so good getting out
 yesterday. I'm glad you're all right. Keep a
 good heart. Don't trouble to ans. this. Aff.
